

January. 5-16

My dear Helen:-

Rec'd your letter this A. M. and certainly was glad to hear from you, I intended writing you before but we have been painting, papering, and cleaning up a little around the Lobby.

Unusually warm here today but if it freezes tonight guess we'll have skating tomorrow alright.

Tell Helen how does it seem to be back on the

old job again, wish you were here instead, I certainly enjoyed your company for the little time you had, and we done a whole lot of talking but it didnt amount to much, but just the same I think we ~~can~~ understand each other a little more, although at times it seems to me as if it was going just the other way but let me tell you Helen lets hope not eh?

Now Helen that you are back why dont you think that all over again and maybe you can see things different ^{will} you?

What do you know last
 night I went to bed at 9
 and stayed there till 12. and
 could not get to sleep so
 got up went down in the
 Office and stayed with
 Tom & Bert Sawyer till
 about 1.30 then went back
 up and did drop off to
 sleep for about an hour
 and was wide awake
 when Tom called me at
 6.30. Guess this was
 stuff and swearing off
 smoking kind of gets
 me. 2 days now since a
 smoke. Then went Monday
 on the 10.31 East Side

Got a card from Whit
 this A. M. said he got
 back all O. K. but a
 little late. did not go to
 work till afternoon.
 Tell Helen this is not too
 bad for me! is it
 will do better next time
 Saw Dr. Webster this A. M.
 not to speak to he was
 on the opposite side of the
 park looks white to me.
 Well Guess I'll close
 very sincerely
 Anne
